A MASTERCLASS WITH DAVE MATTACKS

We are holding a Master Class with Dave Mattacks on Monday 10th August at Woodley Baptist Church Hall (opposite DrumWright) at 8.00pm (doors 7.30pm).

Dave first came to prominence as the drummer with legendary folk-rock band Fairport Convention. He is one of the most musical drummers in the world, and is much in demand as a player and producer.

Dave’s discography and touring credits include Paul McCartney, Elton John, George Harrison, Jimmy Page, Mary ChapinCarpenter, Richard Thompson, XTC, Joan Armatrading, Brian Eno, Steeleye Span, Susan Tedeschi, Nick Drake and Loudon Wainwright.

His masterclass will focus on getting the best sound from your drums in different situations and on cymbal selection. His knowledge of tuning techniques is phenomenal.

Ticket price is £20, £15 concessions (places strictly limited).

Offers valid until August 31st while stocks last.

No guarantee is given on the availability of any featured product and this publication does not constitute an offer of sale.
